

LITCHFIELD FOOD BANK
A Mission of the Litchfield Plains Baptist Church
March 17 , 2020

This community, state and nation is facing an emergency that is unlike any faced by this and several previous generations and we ALL must take it seriously to protect ourselves and each other.

The Litchfield Food Bank intends to continue to serve the members of our community and will modify our practices as necessary to do so in a way that protects our volunteers and clients. **We ask for your cooperation and patience.**

Effective immediately:

1. The Food Bank will advertise its open hours on Wednesday as 4:00 to 6:00 PM. Thursday hours will remain advertised as 10:00 AM to noon but will be extended if persons arrive by noon to be served.
2. Clients are asked to bring reusable grocery bags for fresh and frozen foods as our supply of plastic bags will be limited and restocking uncertain.
3. Clients are encouraged to bring their banana box to have in your vehicle so food can be placed in it.
4. Food parcels will be assembled by Food Bank staff in quantities reflecting household sizes.
5. Clients will not enter the building but will receive their food outside.
6. Gathering outside the Food Bank will not be encouraged in an effort to minimize spreading the virus.
